

Pentecost and More
Theme song

Chorus

United in Pentecost and More,
grasping forever our goal,
sharing, their goal in truth,
it is time for Pentecost and More.

The world needs, a single voice,
to proclaim everywhere that Jesus is the Lord.
United as one, sharing His love,
we will shout, with power, that Jesus raise on high.

Chorus

United in Pentecost and More,
grasping forever our goal,
sharing, their goal in truth,
it is time for Pentecost and More.

It is time to move ahead,
we should not hesitate, they're soldiers, already on the stand.
The children prepare them today, they must repent,
that every where has come, pentecost and more.

Chorus

United in Pentecost and More,
grasping forever our goal,
sharing, their goal in truth,
it is time for Pentecost and More.

Today's believers, are receiving now,
the promise of the Spirit, the promise of the Lord.
Just as in the past, thousands will be joined,
In a day we'll baptize, three thousand and much more.

Chorus

United in Pentecost and More,
grasping forever our goal,
sharing, their goal in truth,
it is time for Pentecost and More.

Chorus

United in Pentecost and More,
grasping forever our goal,
sharing, their goal in truth,
it is time for Pentecost and More.
For Pentecost and More ... Pentecost and more.
